Verse

And now that you're gone I can't cry hard enough

I can't cry hard enough

For you to hear me now Can I open my eyes

Can I open my eyes

And see for the first time

And see for the first time

I've let go of you like A child letting go of his kite

A child letting go of his kite
There it goes
Up in the sky

There it goes
Beyond the clouds
For no reason why

I can't cry hard enough
For you to hear me now

Can I look back in vain
