What's there to look forward to beyond the biting cold

They say it's difficult

Yes stereotypical

in this cruel life

Ain't there nothing else 'round here but human strife

What's there beyond sleep, eat, work
Cause they say it's difficult

Yes stereotypical

You can't be so radical

Chorus

So I sing this song to all of my age

For these are the questions we've got to face

For in this cycle that we call life
We are the ones who are next in line
