**Verse**

I was down, my dreams were wearing thin
When your lost, where do you begin?
My heart always seemed to drift from day to day

Looking for the love that never came my way
Then you

Verse

smiled and I reached out to you
I could tell, you were lonely too

Chorus

Em7 Asus4 Asus2 D

The moment that we touched, I knew that there would be
Two less lonely people in the world

Out of all the people in the world
I just can't believe you're mine

And it's gonna be fine

A/C G B

And it's gonna be fine
In my life where everything was wrong
Something finally went right
Now there's two less lonely people in the world tonight

think what I might have missed
Looking back, how did I exist?

Chorus
But miracles come true, I know 'cause here we are
Two less lonely people in the world
