And I don't know why

I'm jealous of the people who

Are not afraid to die

It's just that I recall

Back when I was small Someone promised that they'd catch me
Chorus
And now I'm fallin'

And then they let me fall
And now I'm fallin'

Fallin' fast again

Why do I always take a fall
When I fall in love

Interlude
Verse
You think by now I've learned
Play with fire you get burned

But fire can be also warm

And that's why I return
Turn and walk away
That's what I should do

Fm Gmaj7 A6 Fm

My head says go and find the door
My heart says I'll find you
