One-sided love broke the see-saw down

David Slater
Dre's Fingerstyle Cover
I got to get rough when I hit the ground
And you went your way

If we had an exchange of hearts
Then you'd know why I fell apart
You'd feel the pain when the memories start

If girl, you'd understand if your heart was mine
And girl, you'd understand if your heart was mine
If we had an exchange of hearts

I’d never wished a lonely heart on you

It’s not your fault I chose to play the fool

Verse II

One day may come

Then your heart will break and you’ll feel just like I do

when you’ll be in my shoes
If we had an exchange of hearts
Then you'd know why I fell apart

Chorus II

You'd feel the pain when the memories start

Bridge

If we had an exchange of hearts
Time turns the tables

and soon I'll be able To find a new... romance
And then you'll remember
my love warm and tender
Too late for a second chance
