Verse
The miles just keep rollin'
As the people leave their way to say hello
I've heard this life is overrated
But I hope that it gets better as we go.

Chorus
I'm here without you baby

But you're still on my lonely mind.

I think about you baby and I dream about you all the time.
I'm here without you baby

But you're still with me in my dreams

And tonight it's only you and me.
